Docket-No. E-00000XX-13-0214

ORIGINAL

Dear Chairman and Commissioners,

My name is Neil Markowitz and I am a customer of Tucson Electric Power.

I am writing to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These standards work to lower utility bills for myself and my neighbors and I and also help make Arizona an affordable place to live and work.

I am confident you will do the right thing for Arizona and our state's economy. I respectfully urge you to continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,

*Neil Markowitz*
